OBJECTS OF THE ASSOCIATION

To look after the welfare of the families of Service and ex-Service men and women and, whenever possible, to help them to find employment.

To help applicants to obtain all the assistance to which they are entitled from statutory sources, and also from Service and Regimental Funds.

To help with temporary grants those who are in distress and whose need is not provided for by the State.

To act as the friendly advisers of Service and ex-Service families in all their problems and difficulties, however personal and however varied.

To represent the cause of these families the appropriate Government Departments when there is reason to do so.

In pursuing these objects SSAFA maintains 1,500 BRANCHES at home and abroad ; an OVERSEAS DEPARTMENT to assist Commanding Officers in the handling of their men's family problems while they are overseas ; a CHILDREN'S HOMES DEPARTMENT to provide temporary accommodation in SSAFA Homes during periods of domestic emergency ; a NURSING BRANCH which supplies qualified district nurses to attend the families of servicemen at important Naval, Military and Air Force stations overseas (the cost of which is now borne out of public funds) ; a CLOTHING BRANCH which distributes 1,000,000 garments a year ; a MARRIED FAMILIES CLUB where Service and ex-Service families can stay cheaply in London ; and an OFFICERS' BRANCH, separately financed, which provides rent free flats, rent grants or emergency help to necessitous widows and unmarried daughters of deceased Officers.

On this work SSAFA disburses over £800,000 annually in grants, services and on behalf of other funds and Government Departments. For the last three years expenditure has exceeded income and the Association's limited investments are being heavily drawn upon.

KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical Services Scholarships, for which the money is provided by the Services, are awarded annually by competitive selection (a) to sons of officers and men or women, or of ex-officers and men or women, of the Regular Forces, or (b) to sons of officers and men or women, or of ex-officers and men or women, of the Reserve and Auxiliary Forces who served in the Great War of 1914-18 and/or the World War of 1939-45, who are over 17 and under 20 years of age on 1st January of the year of application (but the Committee may consider applicants over 20 who had before that age begun an approved medical course) and who require financial assistance to enable them to undergo a course of medical education with a view to obtaining commissions in the Medical Branches of the Royal Navy, Army or Royal Air Force.

The Scholarships are limited in number, at present to five each year, of which two are for applicants for service in the Royal Navy, two for the Army and one for the Royal Air Force. The value of each Scholarship is dependent on the financial resources of the scholar's family. The Scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission under the current Regulations in the Medical Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay; if, however, he does not continue in the Service and serve for at least fifteen years, the money spent by the Service on his Scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications can be received only in January or February of each year, and must be made on an application form obtainable as below.

Further details of these and other Kitchener Scholarships for University courses for sons of Service parents may be obtained on application to:—

This Home (opened in February 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 or over 70 years of age, but there is no restriction as to religious persuasion.

Since its opening, 522 widows have been elected. There are 36 widows in the Home, in addition to 11 widows receiving out-pensions. Each Widow has a furnished room, and receives old age or Widows pension and a monthly allowance towards cost of fuel in addition to other amenities.

The total funded income of the Charity falls short of the estimated average annual cost by about £1,700.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired Officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.

Hon. Treasurer—Capt. the Lord FRANCIS HILL.

Secretary—F./Lt. R. T. BROWNE.

OBJECTS OF THE ASSOCIATION

(1) To provide unfurnished houses and flats at nominal rentals for officers' widows and dependants and gravely disabled married officers.

(3) In affiliation with the Officers' Association to give financial assistance in connection with housing, by way of grants, in cases of special distress, to disabled officers, and their widows and dependants.

All houses, flats and funds are necessarily reserved for those whose means make it impossible for them to provide decent homes for themselves and their families, without such assistance as the Association is able to give. In the consideration of applications, special regard is had to the extent to which the applicant's income has been reduced as a direct result of War Service.

Preference is always given to those with young families.

All applications should be addressed to the Secretary.

THE "FORGOTTEN MEN"

Records show that many of the 45,000 veterans of the 1914-18 War overcame the handicaps imposed by amputation and the majority are leading full and useful lives today. But there were others, too. What of them? Did they find the struggle too hard—did they *all* have a fair chance? The 1939-45 War has created a further 10,000 limbless.

B. L. E. S. M. A. is doing everything in its power to help **ALL** limbless men and to see that they are **ALL** given the best chance—that a future of inevitable unemployment and neglect shall not be their lot . . . that they shall never join the ranks of the "Forgotten men".

The State machinery can only render assistance in general terms.

B. L. E. S. M. A. concerns itself with individual cases.

COULD YOU PASS THIS LANGUAGE TEST?

Many people who can speak a foreign language get a rude shock when they go abroad. They find they can't understand a word that foreigners say to them. Why is this? It is because they have not learnt the language by hearing it *spoken*. The Linguaphone Method overcomes this handicap from the first lesson. Sitting in comfort you listen to the Linguaphone records on your gramophone. Expert native teachers speak with the very same accent and intonation you hear abroad. Following their conversation in your illustrated key book, you pick up the language quickly and easily. Almost

before you realise it you gain fluency in speech, reading and writing and a working knowledge of grammar and idiom. The Linguaphone Method is thorough as well as simple. For examinations — business — holidays abroad — it gives you accurate and ample knowledge. Accept the offer made below, and test it thoroughly in your own home.
